Dear Sir,

Bad condition of roads leading to Sringeri.

With reference to your letter No.1153/Muz.194-35-2 dated 25-2-1936 on the above subject, I write to say that the directions contained in the letter do not seem to be quite clear. If the Officer-in-charge of the Jahgir has to be instructed to take necessary action to improve the roads in accordance with the programme to be approved by the P.W.D., it will not then be possible to place at the disposal of the P.W.D. the whole of the receipts made over to the Jahgir under G.O. No.L.2971/LB.105-32-2 dated 26-10-1932 and vice versa. Besides, it is not known whether the arrangements ordered in the above Government Order have been permanently cancelled and how much amount and pertaining to what period has to be placed at the disposal of the P.W.D. in case the revised arrangements ordered in the letter under advertance have to be continued permanently in future. I request that definite instructions of Government may kindly be obtained and communicated to me.

It may be mentioned in this connection that the road which seems to have been bad at the time of Mr. Chintamani's visit to Sringeri has since been improved at considerable cost during the current year and the road is fairly good now. Further work is in progress and adequate provision will be made in the Mutt budget for next year for the purpose.

The enclosures to your letter are returned.

Yours sincerely,

To
